**International and Canadian Students**

A group of approximately 12 people are standing on a wide, sandy beach, pulling a long, green fishing net. The net is stretched across the sand, and the people are positioned along its length, each holding a section. They are dressed in casual summer attire, including t-shirts, tank tops, and shorts. The background features a dense line of evergreen trees under a clear blue sky. The overall scene suggests a community activity or a practical exercise.

An aerial photograph of the Esquimalt Lagoon area, showing a mix of green forested land, residential neighborhoods, and a large body of water. A road with a median runs along the bottom edge of the lagoon. Three white text boxes with black borders are overlaid on the image. A map inset in the bottom right corner shows a street grid with a red 'P' marking a specific location near the lagoon.
